

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

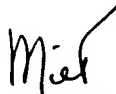

29 March 1984

NOTE FOR: Deputy Director
FROM: Milton Kovner
NIO for Western Europe

Dear John,

Re your after-dinner comments
with respect to developing ties with the
academic community, I thought you might be
interested in the conference we are sponsoring
next week.

Rick Burt will open the sessions and
Bob Gates will say a few words at the luncheon.
I would guess about 50 members of the Intelligence
Community will participate.

Milton Kovner
